L'Officiel Art International

Art is a lifestyle

The ambition of L'Officiel Art is to offer a new kind of magazine where artists uncover and describe our times from multiple dimensions and perspectives, in order to reveal a different point of view on the world and on contemporary art. L'Officiel Art is a mirror for our times, seen through the spectrum of art. Through a series of exceptional encounters, the magazine reflects the true territory of art, constantly feeding from and fuelling other cultural fields: fashion, design, architecture, lifestyle, cinema and music. Art as lifestyle, and as a way of fully embracing our times.
